In Loving Memory of  
Janet Gail Henry

Janet was a loving mother, sister, auntie, niece, and friend to many. She loved Hairdressing, Esthetics, animals, music, and dancing. She was very loving and respectful. Even though we miss her now, the Bible promises that we'll see her again.

"Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice"

-John 5:28

Janet's daughter, Debra, meant everything to her. Since her mom went missing, she graduated, received her Criminology Diploma, and is married. Janet would have been proud of her.
