Subject: *GEOGRAPHIC PROFILING REQUESTS*

I am trying to anticipate future demand for geographic profiling services for the purposes of planning, budgeting, and resource allocation.

It would be helpful if you could provide an estimate of the number of annual geographic profiling requests from your section that you anticipate for the following crime types:

Murder	_____	Arson	_____
Sexual Assault	_____	Break and Enter	_____
Robbery	_____	Other	_____

I would appreciate if you could respond by 99.02.15. Thank you for your cooperation.

Yours sincerely,
